

Indiana Department of Natural Resources 2007 Special Events

The Indiana Department of Natural Resources invites you to join us for wildflowers hikes, fossil digs, holiday fireworks, historic home tours, music, and even a 500 mile bike ride! You, your friends and family will find relaxation and fun all year long through our varied programming. This list provides an overview of events by month, and includes listings for State Parks and Reservoirs as well as the Indiana State Museum and Historic Sites. A topical list of events is available as well. If you are interested primarily in history, in-depth natural history workshops, volunteer opportunities, camping weekends, adventure tours or athletic competitions, download a copy of the topical list from the DNR website at www.dnr.IN.gov.

Most of our activities are for all ages, but some are most appropriate for children or for adults. Some require pre-registration. Gate fees and camping fees are charged at State Parks and Reservoirs, and entrance fees are charged at the State Museum and Historic Sites.

For additional details, event times, and the most up-to-date information or a complete schedule of events offered by our staff, contact the property you plan to visit or ask the gate attendant when you arrive. For daily program information, brochures and hours of operation, visit State Parks and Reservoirs on the web at www.interpretiveservices.IN.gov or visit the Indiana State Museum and Historic Sites at www.in.gov/ism/

Enjoy your state properties this year. We look forward to seeing you!

January 8
